

Saint John Assembly Prayer

“As for the seed that fell on good soil, it is the one who hears the Word of God and understands it; it bears fruit and produces a hundred, sixty or thirty times more.”

Matthew 13:23

[Matthew 13: 1-24]

Loving creator God, we give You all thanks and praise for Your unending love. Help us in our Assembly preparations to welcome your call to the “Magis” and deepen our vocational call to be committed members of our CLC lay apostolic community.

We recall with gratitude our CLC roots and those who came before us; those who planted seeds in the good soil; those who listened well to Your voice; those who laboured freely on the fertile ground of our formation for mission.

Lord Jesus, we too want to be free to hear Your voice and so we pray with grateful hearts to the One who eternally listens with compassion to our petitions.

Holy Spirit, grant us the grace to respond generously to the Father’s will as we prepare for our National Assembly.

Blessed Trinity be with us in each of our frontiers, help us and guide us to become one with You as we discern well our missions toward the greater good, the “Magis”, and for your greater praise and glory.

We ask this in name of Christ Jesus Our Lord. AMEN.

Holy Mary, Mother of God – Pray for us. , Our Lady of Guadalupe, Patroness of the Americas, pray for us. , St. Ignatius - Pray for us. , Fr. John English, sj – Pray for us. , Fr. Jim Profit, sj – Pray for us,
