

Alice Tuner (Bridgeman)

Our Lady of the Way, ON

February 3, 2014

Alice born in St. Brendan's, Newfoundland, passed away peacefully on Monday February 3, 2014 at Rough Valley Health System Scarborough, ON at the age of 86. She was predeceased by her beloved husband, Herb, and will be sadly missed by all her children.

Alice was not only Mom to her own children, she was a second mother and favorite aunt to many. Anybody from Newfoundland could count on Alice and Herb. Those they helped have never forgotten their guidance, support, and friendship during the transition to life in Toronto.

As a loving and cherished member of Our Lady of the Way CLC - Manresa, Pickering, ON - Alice faithfully attended our prayer meetings and became active in contributing her time and organizational talent to convening women's mid-week and weekend retreats at Manresa.

In September 2010 Alice attended the Regional CLC Assembly hosted by Our Lady of the Way CLC at Manresa Retreat Center in Pickering, ON. Many who attended this gathering will recall that it was on this occasion that Alice suffered a mild heart attack. Everyone at the assembly prayed for her recovery - but this setback turned out to be the beginning of many successive illnesses (most of which were undiagnosed!) till her death.

Her courage and spirit in accepting these trials made all of us marvel at her loving and serene surrender to Our Lord.

We were proud to have Alice as an exemplary member of our CLC and we pray our Lord and Our Lady of the Way welcome Alice into their loving embrace.
