

General Council changes in place...

With the end of the 2014 CLC Canada Assembly the face of our GC has changed. We have been very blessed to have some very gifted people with which to work with in helping to build God's kingdom here on earth. The following members have completed their terms and we wanted to thank them for their service.

Father Charles Pottie-Pate, sj - Ecclesiastical Assistant – Fr. Charles was our EA for the past 8 years. This has been a real time of growth for CLC Canada as well as a time of discovering more deeply who we are called to be as a National community. We thank you for your pastoral care of CLC Canada and are grateful for your ongoing involvement with CLC as the Prairies and Rockies EA's respectively.

Pat Bremner, Rockies Representative – From Taber, Alberta, Pat has represented the Rockies Region faithfully and brought many gifts to the GC table. Pat suffered some health issues in the past year yet worked to bring the CLC way of life to her region with joy and energy. Pat agreed to an extension of her term to ensure there was an opportunity for the Rockies Region to regroup after some challenging times. We wish you well Pat as you live your retirement and continue to serve our Lord wherever He calls.

Sharon Baker, National Secretary, Winnipeg, Manitoba – Sharon was our faithful Secretary who kept us on track and reminded us again and again whenever we were sidetracked. A faith filled lady with tired less energy, Sharon got the job done and with such grace. Sharon always sought the greater good in our deliberations and helped us to see how God was working in our midst. Her contagious smile and gentle manner will be missed.

The call to serve is a call in answer to Christ, servant to all of us who calls us to follow Him. With endless gratitude we thank these dedicated and hard working CLC members and Fr. Charles for their YES.

We wish each of you God speed wherever He calls next.
